## Message

*IITR - Heritage Foundation has taken a laudable initiative of rewarding talented students of IIT Roorkee every year through cash awards and Certificates and also helping the IIT Roorkee students through travel grant for attending conferences in India and abroad, helping them in summer internship placement and organizing Guest lectures at IIT Roorkee by visiting Alumni from the US. These initiatives are being managed successfully and with transparency which is essential for their sustainability. I am sure as these students grow to become alumni themselves, they will further strengthen the IITR-Heritage foundation.*

*I congratulate and compliment the donors and the managers of IITR-Heritage Foundation for their dedication and commitment to the noble cause of giving back to their Alma-mater, which is inspirational. I hope we can continue and enhance our relationship in the future.*

*Let us work together to make IIT Roorkee a truly world class education and research institution!*

*My best wishes in your endeavours.*
